# Selected Addon's Explained

### Invoice Cover

Validity: 7th Oct 25 - 6th Oct 26

UIN: A0009V01201920

In the unfortunate event of total theft or Total loss or constructive total loss damages to your car subject to the admissibility of the claim, the invoice cover add-on provides the benefit of receiving the complete amount of your car's invoice value, including registration cost and road tax. Without this add-on, you would ideally receive coverage equivalent to your car's insurance declared value (IDV). However, with this add-on, you can receive coverage that is the on-road cost at the time of purchase, which includes Invoice value registration fees, and road tax or the latest available Manufacturer Invoice Value, whichever is lesser.

### Extra Car Protect PLUS

Validity: 7th Oct 25 - 6th Oct 26

UIN: A0003V01201920/A0007V01201819/A0008V01201819

Extra, but necessary ! we all need little help sometimes!

1. Towing service in both accidental & non accidental events (electrical or mechanical failures).
   a. Roadside repair services for vehicle breakdown events mentioned below
      i. Battery Jumpstart
      ii. Flat Tyre assistance (change of tyre if stepney is available)
      iii. Fuel delivery up to 5 litres once in a year (fuel cost will be borne by user)
      iv. Key locked assistance
      v. Taxi arrangement (fare charges will be borne by user)
2. In the event of the Insured Vehicle being immobilized due to a breakdown/accident outside the 100 kilometers radius of the insured's city of residence, Acko will cover the overnight stay expenses (up to Rs 15000.0) during the policy period
3. Protects you from the cost (max. Rs.25000.0) incurred towards replacing your Vehicle's key if the key is lost, stolen or damaged, or repairing the lock-set, if the lock-set or key is damaged.

### Consumables

Validity: 7th Oct 25 - 6th Oct 26

UIN: A0009V01201819

A consumable cover provides an extra layer of protection for your car. This add-on covers the costs of items like engine oil, gearbox oil, lubricants, nuts, bolts, screws, distilled water, grease, oil filters, bearings, washers, clips, brake oil, air conditioner gas, and similar items during car repairs, except for fuel consumed.

### Zero Depreciation

Validity: 7th Oct 25 - 6th Oct 26

UIN: A0006V01201819

This add-on protects you from the depreciation amount deducted on replaced parts in the event of an accident-related claim during the policy period. However, it does not cover the cost of consumables or total loss/theft.

### NCB Protect

Validity: 7th Oct 25 - 6th Oct 26

UIN: A0002V01201920

Did you know that not making any claims during your policy period can earn you a bonus known as "No Claim Bonus"? With this add-on, at the time of renewal with Acko, you can retain your current No Claim Bonus even in the event of a claim being made during the policy period. This can help you avoid losing the bonus and facing an increase in premium. However, please note that this add-on is applicable for only one claim per year.
